❖ **Indicator-Based Information System for Public Health (IBIS-PH)**

Public Health has been working with IBIS-PH to create a data dissemination system to break down the Youth Risk Behavior Survey (YRBS) data regionally. There are no set dates that this regional data will be available to the public. However, Public Health has received the agreement from IBIS-PH, and the contract is with Grants and Contracts.

Trainings for the SPF process

❖ **Timeline**

Glen Harvey from Division of Behavioral Health is working on putting the draft information for the Alaska EPI Profile . Our goal is to have a final version of the Alaska EPI Profile posted online by the end of the month. A final draft will be e-mailed to you prior to the final posting.
